## CANSAW LTD. WARRANTY

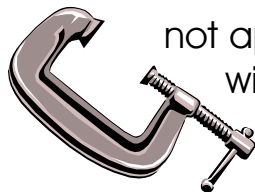

CanSaw Ltd., is an independent distributor and not the manufacturer of any of the equipment we sell. All warranties offered to the original user are those of the manufacturer. Their warranties guarantee for the period of one (1) year\* from date of shipment that every new product we sell is free from defect in material or workmanship.

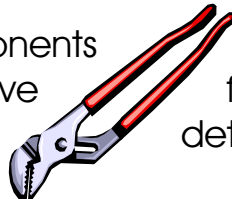

During this period, CanSaw Ltd. on your behalf, will arrange at our suppliers option, to repair or replace any part which upon examination the factory finds defective not including labour charges. The factory has the option to warrant all mechanical features of the machine except purchased components. Motors, hydraulic valves, electrical components etc. may carry the warranty of the original manufacturer.

This warranty will not apply to alteration or modification made upon machines without written consent from the original manufacturer or to machines that have been subject to willful abuse.

Replacement parts and components will be shipped C.O.D, freight collect ex the respective factory. Credit will be issued for returned parts only after determined to be defective from normal use.

CanSaw's factory trained service technicians can replace parts covered by warranty at a reduced hourly rate.

\* National Shears and Brakes – 5 years.
