

3" x 79" Metal Belt Sander

Product Features:

- Powerful 220V, 2 HP motor
- Sanding belt rotates on 7-1/2" vented drive wheel and solid rubber rear wheel for maximum tracking and sanding control
- Head pivots up or down on base for easy and safe work heights
- Line interruption electro-mechanical switch needs a restart after a power failure
- Front and rear 3" dust ports for efficient dust and debris removal
- Horizontal working height of 36"
- Quick release sanding belt tension lever and angle adjustment lever for adjusting the sander angle
- Belt tracking adjusting knob
- Graphite pad diminishes belt friction for increased sanding belt life
- Comes with 80 Grit pure zirconia sanding belt, work stop, workpiece end support and safety guard to protect users from sparks produced during end sanding

MODEL	KC-379MS
